

Colchester Photographic Society Wetzlar Competition

We have now completed this year's competition with Wetzlar. Each club's entry consists of 15 colour pdi and 15 mono pdi images and we used a maximum of one image per author in each section with lots of different authors contributing to our selection.

The results were as follows:

Colchester Leg	Mono	Colour	
Colchester	135	128	263
Wetzlar	130	121	251

Wetzlar Leg	Mono	Colour	
Colchester	126	127	253
Wetzlar	104.5	119	223.5

Combined totals were

	Mono	Colour	Overall
Colchester	261	255	516
Wetzlar	234.5	240	474.5

Congratulations to all authors who had their work used and I believe this shows the strength in depth that we have at Colchester Photographic Society.
